

## **Patient Information Leaflet**

### **Scheduling status**

Schedule 0

### **Proprietary name, strength and pharmaceutical form**

## **Spascupreel® Tablets**

### **Read all of this leaflet carefully because it contains important information for you**

Spascupreel® is available without a doctor's prescription, for you to treat a mild illness. Nevertheless you still need to use Spascupreel® carefully to get the best results from it.

- Keep this leaflet. You may need to read it again.
- Do not share Spascupreel® with any other person.
- Ask your pharmacist if you need more information or advice.
- You must see a doctor if your symptoms worsen or do not improve.

### **1. What Spascupreel® contains**

1 tablet cont.:

The active substances are:

Citrullus colocynthis D4 30 mg; Ammonium bromatum D4 30 mg; Atropinum sulfuricum D6 30 mg; Veratrum album D6 30 mg; Magnesium phosphoricum D6 30 mg; Gelsemium sempervirens D6 30 mg; Passiflora incarnata D2 15 mg; Agaricus D4 15 mg; Chamomilla recutita D3 15 mg; Cuprum sulfuricum D6 15 mg; Aconitum napellus D6 60 mg.

The other ingredient is: Magnesium stearate.

One tablet contains approx. 300 mg lactose.

### **2. What Spascupreel® is used for:**

Pharmacological classification: D. 33.2. Homeopathy.

Discipline of the medicine: Homeopathy

This medicine is prepared in accordance with homeopathic principles and is proposed for use in spasms in the organs of the smooth musculature (stomach, intestine, gall bladder, uterus, urinary tract); spasticity of the striated musculature (myogelosis, hardening of the muscles).

### **3. Before you take Spascupreel®**

#### **Do not take Spascupreel®:**

- if you are hypersensitive (allergic) to the active substances or any of the other ingredients of Spascupreel®.

### **Pregnancy and Breastfeeding**

If you are pregnant or breastfeeding your baby while taking this medicine, please consult your doctor, pharmacist or other healthcare professional for advice.

### **Important information about some of the ingredients of Spascupreel®:**

This preparation contains natural lactose. Although the quantity of lactose present is probably not sufficient to cause discomfort, a health professional should be consulted in strong cases of lactose intolerance.

A temporary aggravation of the existing symptoms is possible after taking a homeopathic preparation.

### **Taking other medicines with Spascupreel®:**

If you are taking other medicines on a regular basis, including complementary or traditional medicines, the use of Spascupreel® with these medicines may cause undesirable interactions. Please consult your doctor, pharmacist or other healthcare professional for advice.

#### **4. How to take Spascupreel®**

Do not share medicines prescribed for you with any other person.

Always take Spascupreel® exactly as your doctor has instructed you. You should check with your doctor or pharmacist if you are unsure.

The usual dose is:

Adults and children over 3 years of age: Dissolve 1 tablet in the mouth 3 times daily. In acute disorders, 1 tablet every 15 minutes for 8 doses.

Infants: Half the adult dose. Crush the tablet and administer it dissolved in a little water or milk. It is recommended not to eat or drink 15 minutes before or after taking the medication.

#### **If you take more Spascupreel® than you should:**

In the event of overdosage, consult your doctor or pharmacist. If neither is available, seek help at the nearest hospital or poison control centre.

#### **If you forget to take Spascupreel®:**

Do not take a double dose to make up for forgotten individual doses.

#### **5. Possible side effects**

Spascupreel® can have side effects.

None known.

Not all side effects reported for Spascupreel® are included in this leaflet. Should your general health worsen while taking this medicine, please consult your doctor, pharmacist or other healthcare professional for advice.

If you notice any side effects not mentioned in this leaflet, please inform your doctor or pharmacist.

#### **6. Storing and disposing of Spascupreel®**

Keep all medicines out of the reach and sight of children.

- Store in a cool (below 25 °C) dry place.

#### **7. Presentation of Spascupreel®**

Containers of 50 tablets.

#### **8. Identification of Spascupreel®**

White to light yellow tablets, sometimes yellowbrown dots.

#### **9. Application number**

D510040 (Act 101/1965).

#### **10. Name and business address of the holder of the certificate of registration**

ModHomCo (Pty) Ltd  
96 Amsterdam Street  
Clubview 0157 Centurion
